2nd International Seminar on Psychology
Empowerment of Human Resources Local Wisdom In A Psychological Perspective Towards Industrial Revolution 4.0

Purwokerto, April 27th 2019
Hotel Surya Yudha Purwokerto
FOREWORD

Assalamualaikum warahmatullahi wabarakatuh.

All the worship and praise of Allah Almighty for all his grace and blessings so that the international seminar with the theme "Empowerment of Human Resources Local Wisdom In A Psychological Perspective Towards Industrial Revolution 4.0" can be held. This International Seminar is a manifestation of the role of Psychology Faculty of Muhammadiyah University of Purwokerto in developing the repertoire of Psychology, especially the application of psychology in individual and community empowerment, in line with the intended vision. Through this International seminar is also expected be a medium for sharing ideas related to psychology in particular and individual and community empowerment in general. The sharing of this idea is expected to be a link in increasing individual and community empowerment towards better society.

Our thanks to the Rector of Muhammadiyah University of Purwokerto for all support in the implementation of this international seminar. Our greatest thanks to all the International Seminar organizers who have worked hard for the realization of this seminar. To all stakeholders we thank you for the positive contribution. To all the participants of this seminar, we thank you for the participation, accompanied by apology if there is a shortage in the implementation.

May AllahSWT bestow all His blessings on all our toil. Aamiin.

Wassalamualaikum warahmatullahi wabarakatuh
